

An Appeal to the Americanism
Of the Visiting
Governors and Mayors

400,000 residents of the District of Columbia pay Federal taxes, obey Federal laws, go to war to defend the Federal government! But these 400,000 have no representation in Congress, no Presidential vote.

Will you help us effect the Constitutional Amendment, which will give us this right, to which we, as American citizens, are entitled?

"Taxation Without Representation Is Tyranny!"

This appeal is made by men of the District of Columbia, men deeply interested in its Americanization.
